

Her Last Word An unsolved crime pits a desperate woman against a relentless killer in New York Times bestselling author Mary Burton's heart-stopping novel of psychological suspense! Fourteen years ago, Kaitlin Roe was the lone witness to the abduction of her cousin Gina. She still remembers that lonely Virginia road. She can still see the masked stranger and hear Gina's screams. And she still suffers the guilt of running away in fear and resents being interrogated as a suspect in the immediate aftermath. Now Kaitlin has only one way to assuage the pain and nightmares by interviewing everyone associated with the unsolved crime for a podcast that could finally bring closure to a case gone cold. But when a woman Kaitlin questions is later found stabbed to death, she fears that she's drawn a killer out of hiding. It's Detective John Adler's fear that the murders have only just begun. Now his job is to keep Kaitlin safe. As a bond between Kaitlin and Adler builds, the past closes in just as fast—and it's darker than Kaitlin remembers. Soon, her wish will come true. She's going to find out exactly what happened to Gina. Someone has been dying to tell her. ...more Her Last Word PDF ebook
